Orthoped Features

RECARO Ergonomics:

Each RECARO seat is designed to support the natural S curve of the spine. The human body isn't designed for long periods of sitting. RECARO seats are designed to align the spinal cord in its most natural and healthy position.

Power Airmatic Lumbar System:

Two independently power adjustable air chambers make up the Airmatic Lumbar System. Adjust the lumbar to meet your comfort needs.

Power Climate Package:

Includes both heat and cooling systems. The heated seat and backrest will keep you warm in the winter and the ventilation system will keep you cool in the summer.

Power Adjustable Back Bolsters:

Driving in a RECARO seat isn't all about correct sitting, it's about performance too. The independently adjustable back bolsters adjust to your body. Control the width of the bolsters to perfectly cradle your body to a perfect fit.

Extendable Seat Cushion:

High extension manually adjusts the length of the seat cushion.

Easy Access Seat Cushion:

The mildly bolstered seat cushion offers support combined with easy access.

Power Seat Back Adjustment:

Power backrest adjusts forward and backward for proper driver positioning.

Dual Manual Seat Back Release:

Moves the backrest forward for easy access to the rear seat compartment.

Adjustable Head Rest:

The headrest of the seat can be adjusted up, down as well as tilting forward to comfortably support your head and neck.

Upholstery:

Whether you choose the premium leather or other upholstery options the seat will look and feel unique and stylish. RECARO chooses the best materials for its covers and then sews them with precision, assuring the seat will look stunning for years.
