## RECARO SPEED & SPEED S

Sport style and comfort

Take your vehicle to a completely new level with the RECARO Speed seat. The RECARO Speed seat, inspired by our racing shells, is designed for the rigors of performance driving. Nothing feels or looks quite like a real RECARO. You only have to sit in the Speed seat to understand what superior ergonomics are. The Speed seat keeps you firmly in place during aggressive driving maneuvers. The integrated headrest, pronounced side bolsters and belt pass-throughs all combine to give the Speed the look and feel of a racing seat while still maintaining the comfort you need for everyday driving. Why settle, when you can have the RECARO Speed?

## RECARO Ergonomics:

Each RECARO seat is designed to support the natural S curve of the spine. The human body isn't designed for long periods of sitting. RECARO seats are designed to align the spinal cord in its most natural and healthy position.

## Integrated Lumbar System:

A pre-formed curved backrest offers superior lumbar support. The speed will feel as good as it looks.

## Shoulder, Back and Thigh Bolsters:

The pronounced shoulder, back and thigh bolsters will keep you firmly in place under the most aggressive driving situations.

## Dual Manual Seat Back Release:

Moves the backrest forward for easy access to the rear seat of any vehicle.

## High Quality Foam Padding:

The entire seat is lined with thick, dense, high quality foam that will hold its shape, comfort and design integrity over time.

## RECARO Speed S:

The Speed S is available with lower profile thigh bolsters for easier daily access entering and exiting your vehicle.
