RECARO Ergonomics:

Each RECARO seat is designed to support the natural S curve of the spine. The human body isn't designed for long periods of sitting. RECARO seats are designed to align the spine in its most natural and healthy position.

Manually Adjustable Lumbar Support:

The air chamber inflates and deflates to your desired level of lumbar support. Adjust the lumbar to ergonomically support your lower back and meet your comfort needs.

Thigh Extension:

Thigh extension manually adjusts the length of the seat cushion.

Shoulder, Back and Thigh Bolsters:

Driving in a RECARO seat isn't all about correct sitting, it's about performance too. The pronounced shoulder, back and thigh bolsters will keep you firmly in place under the most aggressive driving situations.

Adjustable Backrest:

Easy manual dial mechanism moves the backrest into the correct and comfortable driving position.

Integrated Headrest:

Integrated headrest is designed with belt pass-throughs able to accept a 4 point belt harness.

Dual Manual Seat Back Release:

Moves the backrest forward for easy access to the rear seat of any vehicle.

Sport Topline:

The Sport Topline model includes each of the premium features of the Sport. In addition, the Topline is equipped with a Power Climate Package that includes both seat heating and cooling, power seat height adjustment and backrest adjustment.
