## RECARO SPORTSTER & CROSS SPORTSTER

The perfect blend of sport performance & luxury

Redefine the interior style of your vehicle with the RECARO Sportster. The Sportster is the latest in seating technology. The hybrid design incorporates the strength of a metal seat base with a reinforced polymer based backrest. The combination creates a sleek, distinct, eye-catching look. The integrated headrest and aggressive bolstering are reminiscent of racing seats while the comfort and ergonomic qualities are evocative of the world's top sport luxury automobiles. The striking design of the Sportster coupled with its body cradling performance has made the seat a favorite among new car manufacturers for sport edition vehicles including the Mini John Cooper Works, Ford Focus RS or sold through BMW Performance parts in Europe. Sacrifice nothing with the RECARO Sportster.

# RECARO Sportster

## RECARO Ergonomics:

Each RECARO seat is designed to support the natural S curve of the spine. The human body isn't designed for long periods of sitting. RECARO seats are designed to align the spinal cord in its most natural and healthy position.

## Ultra Thin Backrest:

Sleek molded reinforced polymer based backrest offers superior ergonomics, unique styling and interior space savings.

## Integrated Lumbar Support:

Proper lumbar support is an integral part of the comfort of an automotive seat. RECARO's proprietary lumbar support technology provides superior comfort and support.

## Shoulder, Back and Thigh Bolsters

Driving in a RECARO seat is not all about correct sitting. It is about performance too. The pronounced shoulder, back and thigh bolsters will keep you firmly in place under the most aggressive driving situations.

## Adjustable Backrest:

Easy manual dial mechanism moves the backrest into the correct and comfortable driving position.

## Integrated Headrest:

Integrated headrest includes belt pass-through able to accept a 4 point harness. The overall look is eye-catching and functional.

## Integrated Side-mounts:

The ingenious Sportster design includes integrated side-mounts for easy attachment to other vehicle installation hardware.

## Seat Back Release:

The seat back release, inconspicuously tucked into the belt pass-through's enables easy access to the rear seat of any vehicle.

## RECARO Cross Sportster:

The Cross Sportster includes all of the standard features of the Sportster. However, the more aggressive thigh bolstering is replaced with a RECARO Slim Seat Cushion for easier entry and exit out of the seat.
